Description

Colleen Kannaday will present the scope of Advocate BroMenn and Eureka today. She will mention 116 year history in the community, Church affiliated, regional impact of Advocate Medical Group, Advocate Eureka Hospital as a critical access hospital, Graduate Medical Ed programs, affiliation with Mennonite College of Nursing, new Advocate BroMenn Outpatient Center, and more.

Sonja Reece will compare and contrast the experience of three consolidations, or mergers: Mennonite Hospital and Eureka Hospital in 1978, Mennonite/Eureka and Brokaw hospitals in 1984, then BroMenn and Advocate in 2010. She will cover the planning and design process for the latest construction project.

Colleen will then review the new patient tower including how to carry out construction during a change in the executive team, construction challenges, unique features, and meticulous planning to occupy. A tour will follow.

With this Presentation, you will gain insight and tactics to:

- Identify key elements involved in the merger of a small rural hospital with a larger community hospital system in an adjoining community
- Identify key elements involved in the merger of a small health system with a larger regional health system
- Discuss the concepts involved with planning, designing, and building of new building housing key services available to the community that is served
